Major General David Bradburn
Director, Secretary of the Air Force

Dear Dave:

Thank you so much for your courtesy in coming to join me in Denver during my visit to the facilities there. It was, as usual, good to see you (and I noticed you the next evening in Los Angeles) and to have the benefit of your comments during the briefings there. I am delighted with the way the whole operation is going, and particularly with your own stress on using the contract route wherever feasible. I am sure we will see each other again here, but I did want to thank you for the whole visit to Denver.

Sincerely,

/s/ Bill
